

Dear Sir / Madam

I am interested in the recently opened position of Graphic Designer in your esteemed company, and would like to submit my application and resume for it.

For last 8+ years I am employed as a graphic designer at media firm. During my tenure with my present and previous employers, I have had the opportunity to develop and hone my skills in different areas of web designing. Thanks to my rich and varied experience, I am today proficient in various types of graphic designing work, including Illustrations, Flash Banners, Character Design and Animation, E-Learning stuffs, Website templates, logo creation, Marketing materials like flyers, brochures, and book covers.

I have experience of working with different designing software, including the following: Adobe CS Suite(CC), InDesign, CorelDraw Graphic Suite, Flash, Sketch Up Pro, Other 3D imaging software such as Maya, Blender, and Electric Image Animation System. I strongly believe in offering practical, cost-effective solutions and complete adherence to clients' recommendations.

Some of my notable accomplishments include, but are not limited to, the following:

- Meeting clients to discuss the objectives and requirements
- Understanding the client's needs and developing suitable concepts
- Estimating the amount of time needed to complete projects
- Designing different types of illustrations and layouts as per brand guidelines
- Produce excellent visual solutions
- Working with different types of media, including computer aided design, or CAD, and photography
- Working alone or as part of a team as per the requirements of the project
- Collaborating with copywriters, photographers, printers, stylists, illustrators, and project managers to give the best service to the clients

My focus is on developing solutions that are visually appealing and in consonance with the vision and values of my clients.

Attached with the application is my resume that provides details about my education, work experience, and professional achievements. I sincerely hope that you will give me a chance to meet you in person to discuss my candidacy further.

# Shravan V Hegde

UI/UX/Graphic Designer
